Forwarded to the Chief Secretary in continuation of this office letter of even number dated 13/11/29 for information.

Sir,

In connection with securing a Passport for proceeding to England for higher Studies in Chemistry I had put in an application to the Chief Secretary on the 10th of Oct. '29 and on the 19th Oct., there was an enquiry from your office, through the Sub-Inspector of Police in Malleswaram, to ascertain my financial ability to proceed to a foreign country for higher education. I gave a statement and recently learnt there was again another reference made on the 28th Oct. to ascertain some more information from me. Owing to unavoidable absence from the station I could not give it then but now request you to be kind enough to accept the following statement of mine as a continuation of the one I have already given before and in which the following facts have not been recorded:-

About two months back I was very kindly offered the chance of proceeding to England by one Mr. K. B. Kowlankar (492, Merton Road, London. S.W. 18), who had been here recently from

London and returned back on the 26th of last month. He owns a factory in Fleetsby, going by the name of "The British Aromatic Chemical Works" and he has promised me three years of practical Training in his factory and has also promised to pay me during the whole period at the rate of £5/ a week for my expenses. To start- with I will live with him in his house for sometime until I get accustomed to London Life. Fortunately for me I happen to be an amateur Veena player and it caught the fancy of Mr. Moolankar to get his daughter trained in Veena. He has also proposed to introduce me to some Indian people who may like coaching in Veena. Mr. Moolankar has promised me every comfort and while agreeing to finance me through- out, has already paid my passage on the 25th of last month to Messrs. Thomas Cook & Son Ltd Bombay. He has in addition to this paid Rs 150/ for my sundry expenses here. I have herewith attached Copies of the letters to prove the latter facts.

In case of emergency and also that I may not get stranded in London if anything untoward should happen my father has undertaken to help me. In addition to this I have about Rs 2000/ worth of jewels at home which when needed will be immediately converted into Cash and sent to me by my father.

I am fully confident in the above circumstances that I don't find any difficulty

(3)

to maintain myself and therefore I once again request you to be kind enough to recommend my case for a Passport.

Thanking you

I beg to remain,
Sir,
Yours most obediently
S.G. Yasby.

With reference to your D.O. letter No.2060/PP4-29 dated the 15th instant, requesting me to furnish certain information regarding the financial position of one Mr. S.G. Re: Mr. S. G. Sastry - Enquiries made here go to show that he is one of the four sone of Mr. S. Ramachandra Sastry, a clerk in the District Court, Mysore, getting pay of Rs. 51/-. He says he owns landed properties in Sosale, Hadinaru and Kudlukuppe of Seringapatam Taluk, and that he pay a kandayam of Rs. 45 per annum. His whole property, as estimated by himself, is Rs. 25,000. Mr. S. G. Sastry is a B. A. and B. Sc. of the Mysore University. He appears to have made friends with Mr. Mowlankar, when he was here in connection wit Mr. Seetharama Char's case, and Mr. Mowlankar appears to have promised to finance him and encouraged him to think of going to England, promising to keep him in his (Mr. Mowlankar's) laboratory. Mr. Mowlankar appears to have given passage money to the extent of Rs. 390 to Mr. Sastry and also a cheque for Rs. 150.

The young gentleman seems to be depending on Mr Mowlankar's help, but Mr. Ramachandra Sastry says that he is willing to advance Rs. 2,000 to his son Mr. Sastry, and probabl another Rs. 500 more, as Mr. Sastry is entitled to a fourth share of the property. Mr. Sastry has no money with him now, but the father is willing to give him Rs. 2,000 at any time it is wanted by him.

Beyond these Rs.2,000, Mr. Sastry may not be able to get anything out of his father, and in case Mr. Mowlanker does not help him, and if his stay in England is for a long period, he may get stranded.

My dear Mr. Subbarayappa,

My cousin and my namesake, Mr. S.G. Sastry, B.A., B.Sc., has applied for a passport to go to England to get trained in one of the Chemical Works near London and also to further prosecute his studies in Advanced Chemistry. In this connection he had to make certain statements before the Deputy Commissioner and I am in a position to inform you that they are substantially accurate. I do not think he is going to be a burden on the Government.

It is an exceptionally difficult thing to get a promise of training in a British factory and opportunities like this should be availed of by our students to get practical training.

This is a unique opportunity for my nephew and I hope the Government will be able to expedite the issue of the passport to him.

With reference to your letter dated the 26th instant in regard to the application of your nephew for the grant of a passport to go to England, I am desired to state that it is no use your merely vouching for the correctness of the statements made by your nephew before the Deputy Commissioner and expressing the opinion that he is not likely to be a burden on the Government and so on. What Government require before recommending the grant of a passport would be some reasonable assurance about adequate financial assistance being available for the candidate to prosecute his studies. I thought I made this point clear to you as well as the candidate in the course of personal conversation. I hope you will now at least kindly see your way to give the necessary assurance so that further action may be taken in the matter of recommending the grant of a passport.

In the matter of obtaining a Pass-port from the Government of Mysore my Son S. Gopalapuri Shastry, B.A., B.Sc., I had given a Statement before the Sub Inspector of Police, Devaraja Market, Mysore, on the 19th Nov. 1929 and the following one I request you to be kind enough to accept it in continuation of the Statement I have already made.

I have stated in my original Statement that I am a Government Servant in the Sessions Judge's Court, Mysore, drawing a Salary of Rs 51/- per mensem & own properties Estimated at Rs 25,000/- in the shape of houses, lands and other movables. One of the two houses is situate in Old Agrahar, Mysore, bearing the Municipal No. 483 and the other one in Hathwara for Agrahar. My lands properties are in Bogadi, Hebbalu and Kootakuppe yielding annually about one hundred & pallas of paddy.

Mr. K. B. Narasimhaiah, Proprietor

Proprietor, British ammonia chemical
works, Yicosly, near Bombay, having undertaken
in my presence and in my house and
through his several letters to finance him,
while giving him a substantial training
in his own said factory, I have also thought
it expedient to set apart for his emergent
expenses, for the time being, of whatever
character it might prove to be, a sum of
Rs 2000/- I have duly informed this to my
son. Since valuables at home can be
converted into cash at any moment
I have encouraged my son to accept
the kind offer of my moral anchor.

I further assert that the
benign Government need not entertain
any apprehension in respect of my son's
financial position being, now and always,
quite sound through my support.

I once again humbly request
you to be graciously pleased to accept this
statement of mine as in continuation of
the one given before and earnestly requesting
you to expedite the issue of the Pass port.

I am
your most obedient Servant

My dear Mr. Subbarayappa,

Ref: Your D.O.No.2508/C.P.4-4 dated 11/12th December 1929.

Regarding the adequate financial assistance being available to my nephew to prosecute his studies in England I wish to state that Mr. K.B. Mavlankar, before he left for England, personally informed me that he is going to employ my nephew, Mr. S.G. Sastry, in his factory at Yewsley and pay him adequate wages. In addition to this Mr. Mavlankar informed me that my nephew would be provided with means of earning extra money by giving music lessons in London to Indian ladies. I think the amount of money he is going to earn by these two methods will be quite adequate for his comfortable maintenance in London. In addition to this, if at any time he should get stranded in London, there is the further assurance from his father, Mr. S. Ramachandra Sastry, who has filed a statement sworn before the Magistrate of Mysore to the effect that there will always be available a sum of Rs.2,000/- for meeting any emergent expenditure. I do consider these things

should assure the Government that my nephew has provided himself with proper financial assistance. I hope the information furnished in this letter is in order and that there will be no further delay in the grant of passport to my nephew. I have no more to add in this matter.

I remain,
Yours sincerely,

Respected Sir,

I most humbly beg to state that a detailed statement of mine about my solvency to finance my son while in London in case he should need financial assistance there, being required by the Commissioner for Pattam to be submitted to him through the Deputy Commissioner, Mysore District, a statement as per his instructions to my son in person, was prepared and it is now herewith submitted for reference as the same could not be presented to the Deputy Commissioner since his office raised the objection that he had no orders from the Government to that effect. As a result of this I had to swear to the contents thereof before the Special First Class Magistrate, Mysore.

Pray that the issuing of the Pass Port may be kindly expedited.
